# MEMBER PROTECTION POLICY

---

## 1. Introduction

The Tuna Club of Tasmania inc.

## 2. Purpose of Our Policy

The main objective of our Member Protection Policy (policy) is to maintain responsible behaviour and the making of informed decisions by participants in this club. It outlines our commitment to a person's right to be treated with respect and dignity, and to be safe and protected from abuse. Our policy informs everyone involved in our club of his or her legal and ethical rights and responsibilities and the standards of behaviour that are required. It also covers the care and protection of children participating in our club's activities.

## 3. Who Our Policy Applies To

Our policy applies to everyone involved in the club including committee members, administrators, officials, members, visitors and event competitors.

## 4. Extent of Our Policy

Our policy covers unfair decisions and actions, breaches of our code of behaviour and behaviour that occurs at club events, in the club rooms, at social events organised or sanctioned by the club (or the TGFA & GFAA. It also covers private behaviour where that behaviour brings our club or sport into disrepute or there is suspicion of harm towards a child or young person.

## 5. Club Responsibilities

We will:

- implement and comply with our policy;
- promote our policy to everyone involved in our club;
- promote and model appropriate standards of behaviour at all times;
- respond to breaches or complaints made under our policy promptly, fairly, and confidentially;
- review this policy every 24 months; and
- seek advice from and refer serious issues to our state or national body the TGFA or GFAA.

Serious issues include unlawful behaviour that involves or could lead to significant harm and includes criminal behaviour (e.g. physical assault, sexual assault, child abuse) and any other issues that our state or national body request to be referred to them.

## 6. Individual Responsibilities

Everyone associated with our club must:

- comply with the standards of behaviour outlined in our policy;
- treat others with respect;
- always place the safety and welfare of children above other considerations;
- be responsible and accountable for their behaviour;
- follow the guidelines outlined in this policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment or other inappropriate behaviour.

## 7. Protection of Children

### 7.1 Child Protection

The Tuna Club of Tasmania is committed to the safety and wellbeing of all children and young people accessing our service. We support the rights of the child and will act without hesitation to ensure a child safe environment is maintained at all times. We also support the rights and

wellbeing of our staff and volunteers and encourage their active participation in building and maintaining a secure environment for all participants.

The Tuna Club of Tasmania acknowledges that our staff, members and volunteers provide a valuable contribution to the positive experiences of children involved in our sport. The Tuna Club of Tasmania aims to continue this and to take measures to protect the safety and welfare of children participating in our sport by:

## **7.2 Supervision**

Members under the age of [16 ] must be supervised at all times by the parent or guardian or a responsible adult appointed by the parent or guardian. They must provide a level of supervision adequate and relative to the junior members' age, maturity, capabilities, level of experience, nature of activity and nature of venue.

## **7.3 Transportation**

Parents/guardians are responsible for transporting their children to and from club activities. Where our club makes arrangements for the transportation of children (e.g. for away or overnight trips), we will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and appropriate safety measures are available (e.g. fitted working seatbelts)]

## **7.4 Taking Images of Children**

Images of children can be used inappropriately or illegally. The club requires that members, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used.

If the club uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by pedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc.

## **8. Anti-harassment, Discrimination and Bullying**

The Tuna Club of Tasmania opposes all forms of harassment, discrimination and bullying. This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers. Some forms of harassment, discrimination and bullying are against the law and are based on particular characteristics such as age, disability, gender, sexual orientation, pregnancy, political or religious beliefs, race, and marital status.

Our club takes all claims of harassment, discrimination, bullying and cyber bullying seriously. We encourage anyone who believes they have been harassed, discriminated against or bullied to raise the issue with the club (see Responding to Complaints).

## **9. Inclusive practices**

Our club is welcoming and we will seek to include members from all areas of our community.

### **9.1 People with a disability**

Where possible we will include people with a disability in our teams and club. We will make reasonable adaptations (e.g. modifications to equipment and rules) to enable participation.

### **9.2 People from diverse cultures**

We will support and respect people from diverse cultures and religions to participate in our club and where possible will accommodate requests for flexibility (e.g. modifications to uniforms).

### **9.3 Sexual & Gender Identity**

All people, regardless of their sexuality, are welcome at our club. We strive to provide a safe environment for participation and will take action over any homophobic behaviour.

### **9.4 Pregnancy**

Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, should be of utmost importance in their decision making about the way they participate in our sport. We recommend pregnant women to consult with their medical advisers, make themselves aware of the facts about pregnancy in sport, and ensure that they make informed decisions about participation.

### **9.5 Girls playing in boys teams**

If there is not a separate sex competition, our club will support girls playing in boys teams up until the age of 12 years (when federal sex discrimination law says if differences in strength, stamina and physique are relevant, then single sex competition is required). After this age our club will consider each request on an individual basis including looking at the nature of our sport and other opportunities to compete.

## **10. Responding to Complaints**

### **10.1 Complaints**

Our club takes all complaints about behaviour seriously. Our club will handle complaints based on the principles of procedural fairness (natural justice), that is:

- all complaints will be taken seriously;
- both the person making the complaint (complainant) and the person the complaint is against (respondent) will be given full details of what is being said against them and have the opportunity to respond (give their side of the story);
- irrelevant matters will not be taken into account;
- decisions will be unbiased and fair; and
- any penalties imposed will be fair and reasonable.

More serious complaints may be escalated to our state or national body the TGFA or GFAA.

If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our club will need to report the behaviour to the police and/or relevant government authority.

### **10.2 Complaint Handling Process**

When a complaint is received by our club, the person receiving the complaint (e.g. President, Secretary, Committee Person) will:

- listen carefully and ask questions to understand the nature and extent of the problem;
- ask what the complainant would like to happen;
- explain the different options available to help resolve the problem;
- take notes; and
- maintain confidentiality but not necessarily anonymity.

Once the complainant decides on their preferred option for resolution, the club will assist, where appropriate and necessary, with the resolution process. This may involve:

- supporting the person complaining to talk to the person being complained about
- bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation);
- gathering more information (e.g. from other people that may have seen the behaviour);
- seeking advice from our state and/or national body or from an external agency (e.g. State Department of Sport or anti-discrimination agency);
- referring the complaint to our state or national association; and/or

- referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a complaint is referred to our state or national association and an investigation is conducted, the club will:

- co-operate fully;
- ensure the complainant and respondent are not victimised;
- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- act on our state or national association's recommendations.

At any stage of the process, a person can seek advice from or lodge a complaint with an anti-discrimination commission or other external agency.

### **10.3 Disciplinary Measures**

Our club will take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- Be applied consistent with any contractual and employment rules and requirements;
- Be fair and reasonable;
- Be based on the evidence and information presented and the seriousness of the breach;
- Be determined by our Constitution, By Laws and the rules of the TGFA & GFAA.

Possible measures that may be taken include:

- verbal and/or written apology;
- counselling to address behaviour;
- withdrawal of any awards, placings, records, achievements bestowed in any tournaments, activities or events held or sanctioned by our club;
- suspension or termination of membership, participation or engagement in a role or activity;
- de-registration of accreditation for a period of time or permanently;
- a fine; or
- any other form of discipline that our club considers reasonable and appropriate.

### **10.4 Appeals**

The complainant or respondent can lodge one appeal against decisions of or disciplinary measures imposed by our club. Appeals must be based on either a denial of natural justice, because of unjust or unreasonable disciplinary measure(s) being imposed, or on the grounds that the decision was not supported by the information/evidence presented and available to the decision maker/club. An appeal process is outlined in The Tuna Club of Tasmania inc constitution.
